5:00 PM	Closing Ceremony and Announcement of Winners

** All times listed are in Eastern Daylight Time (EDT)

SUBMISSION

All project submissions must be made through Devpost by 12:00 PM EST on May 17.

****For more guidelines on what to include in your submission and judging criteria, visit https://hthshacks-20.devpost.com/ ****

Here are some helpful links:

- ➔ the hths.hacks() Devpost
- ➔ instructions on how to submit a project on Devpost

DEMOS

Demos will be done through a video you attach with your Devpost submission. (3 minutes maximum)

- Quick elevator pitch of what your project is
- Include a full demo of your project working. We will not be running your projects
- Explain quickly what technologies you used and what you went through

LASTLY...

Remember to keep discussion in the Discord school-appropriate. Have fun and good luck!
